The Pizza Pie Planet!

**This planet is round, you surely know that.
But centuries ago, it used to be flat!**

**When Columbus sailed on his ocean tour,
He sought for his Queen the answer for sure.**

**“Is it round or flat?” She just had to know.
“Bring me some facts, or some proof you can show.”**

**After years went by, Chris finally returned.
The Queen was amazed to hear what he’d learned.**

**“It’s both round and flat,” Chris said with a sigh.
“My Queen, the world is a huge pizza pie!**

**If it’s proof you want, to the dock please come.
See for yourself what my sailing has done...**

**To your Nina, Pinta and Santa Marie,
All laden down with tomato puree.**

**Peppers and mushrooms and cheese by the tons!
They cover my masts, my decks and my guns!”**

**To the dock she went to see with her eyes,
Her ships which now looked like big pizza pies.**

**She laughed and she danced. She thought it was great.
“I’ll eat pizza each day for ten years straight!”**
